| <b>Stowage</b> There are no special requirements for stowage.                                                                                                                                                                                                                                                                                                                                                                                                                         |                           |                                                 |                                                                                                 |                        |                                                              |  |
| <b>Segregation</b> Check the segregation table for sea transport. There are no special requirements for segregation.                                                                                                                                                                                                                                                                                                                                                                  |                           |                                                 |                                                                                                 |                        |                                                              |  |
| <b>Placarding of the transport unit</b> Containers, semi-trailers and tank containers must be marked with enlarged hazard labels (placards) on all four sides. Railway wagons must at least be marked with placards on both sides. All other transport units, e.g. trucks etc., must at least be placarded on both sides and at the back.<br>The placards must have a size of at least 250 x 250 mm, and be of such quality that the labeling is still visible after 3 months at sea. |                           |                                                 |                                                                                                 |                        |                                                              |  |
| <b>Foodstuff</b> The substance must be kept separate from food and feedstuffs.                                                                                                                                                                                                                                                                                                                                                                                                        |                           |                                                 |                                                                                                 |                        |                                                              |  |
