| <b>Packaging</b> Can be packed in approved packaging according to packing instruction P002.                                                                                                                                                                                                                                                                                                                                                                                               |                             |                                                                                                      |                                  |                                                                                                                                                                                                                                                                                                                                      |                                                      |  |
| <b>Mixed packaging</b> The substance may be packaged with other substances in the same outer packaging if: <ul style="list-style-type: none"><li>- it is permitted to load the substances together, and</li><li>- the substances do not react dangerously with one another.</li></ul>                                                                                                                                                                                                     |                             |                                                                                                      |                                  |                                                                                                                                                                                                                                                                                                                                      |                                                      |  |
| <b>Remarks</b> The substance is assigned to this classification or packing group based on human experience rather than the strict application of classification criteria set out in this Code (SP 279).                                                                                                                                                                                                                                                                                   |                             |                                                                                                      |                                  |                                                                                                                                                                                                                                                                                                                                      |                                                      |  |
| <b>Properties and observations</b> Bluish-black solid with a metallic lustre and a pungent odour. Melting point: 114 °C. Below its melting point, may evolve vapours which are irritating to skin, eyes and mucous membranes. Slightly soluble in water but soluble in most organic solvents. Corrosive to most metals.                                                                                                                                                                   |                             |                                                                                                      |                                  |                                                                                                                                                                                                                                                                                                                                      |                                                      |  |
